

SUPERVISING VETERINARIAN FORM

Under Texas Administrative Code Rule §573.14, animal chiropractic and other forms of musculoskeletal manipulation (“MSM”) are considered alternate therapies in the practice of veterinary medicine. In order to comply with Rule §573.14, Tamarah Wild Canine Reiki and Massage requires that all clients be under the supervision of a licensed veterinarian.

Please have your veterinarian complete the following and keep a copy in your pet’s file. Return the original to Tamarah Wild Canine Reiki and Massage before your first session.

Veterinarian Acknowledgement

My name is _____, and I am a veterinarian licensed in the State of Texas.

In compliance with Texas Administrative Code Rule §573.14, I acknowledge the following:

- I have established a valid veterinarian-client-patient relationship with the animal(s) listed below.

○ _____

○ _____

For more than two animals, please use additional form

- I have made an examination to determine that animal chiropractic/MSM will not likely be harmful to the patient(s).
- I will obtain and include in the patient’s/patients’ permanent record a signed acknowledgement from the owner or other caretaker of the patient that animal chiropractic or MSM is considered by Texas law to be an alternate therapy.
